DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: The primary reason for the allowance is the recitation in the allowed claims of the de-humidification system of underground storage facilities and a method for de-humidification with an outer wall; an interior wall spaced from said outer wall of the underground facility, said interior wall defining an interior space of said facility; a buffering space formed between said outer wall and the interior wall, wherein said interior wall divides said buffering space from said interior space of the underground facility and; ventilation means which air circulates between the interior space and the buffering space.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
